

Adult Children Living With Senior Parents Mailing List

Total Universe: **2,00,06,438**

Base Rate: **\$65.00/M**

Description Summary

With the rise of student loans, cost of living, and low wages, many adult children are living at home after the age of 18. On the other hand, there are many adult children living with their senior parents to help take care of them, depending on age and health issues. Either way, these consumers are highly marketable for many products and services. With the Adult Children Living with Senior Parents mailing list, you will get access to the most accurate postal, phone, and email data on the market.

How Our Data is Compiled

Our Adult Children Living with Senior Parents Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ About 16.1% of the U.S. population live in a family household that contains at least 2 generations
- ✓ Seniors are living longer and are spending more time and money on themselves, their families, and charities

Recommended Usage

This database is recommended for many industries and offers, including but not limited to, real estate and rental offers, careers, healthcare, retirement services, insurance, travel, automobile, and much more.
