Description Summary

The African-American Seniors mailing list can help many companies target a specific audience. The individuals on this list are currently retired or are planning their retirements. After years of making financial decisions and saving money, these seniors are great candidates for many offers. Gathered from a variety of sources, Senior Source List keeps the African-American Seniors database accurate and up-to-date.

How Our Data is Compiled

Our African American Seniors Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: lifestyle surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ Compared to the national average, African-American seniors are more than twice as confident that their quality of life will get much or somewhat better in the next five to 10 years.
- ✓ Boomers are estimated to outspend other generations by approximately \$400 billion a year.

Recommended Usage

This African American Senior mailing list could be useful to many types of companies. Many industries such as insurance, retail, healthcare, travel, entertainment, and more could benefit from this database.
