

Ambulatory Surgery Centers Mailing List

Total Universe: **9,280**

Base Rate: **\$125.00/M**

Description Summary

Reach verified Ambulatory Surgery Centers (ASCs) nationwide with AmeriList's comprehensive B2B contact database. Ambulatory Surgery Centers are licensed outpatient healthcare facilities that perform same-day surgical procedures without requiring an overnight hospital stay. These centers specialize in a wide range of elective and minimally invasive procedures performed under local or general anesthesia. Our Ambulatory Surgery Center mailing list gives you access to key decision-makers through verified mailing addresses, direct-dial phone numbers, and email addresses, making it ideal for direct mail, email marketing, telemarketing, and healthcare sales campaigns. To ensure maximum accuracy and deliverability, our ASC database is validated and updated monthly, helping you confidently connect with surgery center administrators, procurement teams, and other healthcare professionals across the United States.

How Our Data is Compiled

Our Ambulatory Surgery Center mailing list is compiled from a variety of trusted public and proprietary sources, both online and offline, including state licensing records, healthcare directories, professional associations, business filings, and industry databases. Our data is continuously validated for accuracy and deliverability. The database is processed monthly against the National Change of Address (NCOA) file and is CASS Certified to ensure the highest level of mailing accuracy.
