Total Universe: **4,00,596**

Base Rate: **$85.00/M**

Description Summary

Responsible for the day to day operations of their companyâ€™s facility. The names on our Facility/Site Managers Database is accurate and updated, itâ€™s the leading resource for marketers who are trying to reach management level employees within the building services / building operations and construction site sector. They are all responsible for items such as contracts for building, maintenance, cleaning, construction, and much more.
Now you can reach decision makers that are in charge of the day to day operations of some of the largest us businesses, most are prominent in the construction sector.

How Our Data is Compiled

This list is compiled from multiple sources including but not limited to trade publications, online surveys and questioners, and other proprietary sources. These lists are then merged and purged to eliminate duplicates, additionally all of our data is processed against NCOA on a monthly basis.

Consider the Facts

- The average site manager earns and income range from $44K – $65K in the U.S.
- Most site managers must have at least an associate degree to get hired.
- 80% of the decision made about a companyâ€™s real estate operations are handled by the site manager.

Recommended Usage

This list is ideal for any marketer who is trying to reach executive level key decision makers who are Safety Engineers, Safety Directors, Compliance Executives, Maintenance Contacts, Plan Managers, and other key Facilities Contacts. With the Amerilist Site Managers Mailing List you get access to the leading source for â€œSite Manager Contacts & Executivesâ€Ǝn the US and CN.
