Description Summary

New Businesses are in need of many different things – they are looking for your company’s products and services! Now, you can be the first to contact them when their purchasing needs are at their peak. These new businesses are purchasing office supplies, equipment, insurance, employee services and much more! This file is updated monthly and to ensure accuracy and success. This new business email file is researched and segmented to eliminate fictitious names and goes through an extensive verifying and cleaning process. With this database, you connect with the perfect prospects as they begin setting up their business.

How Our Data is Compiled

Our AmeriList New Businesses Email List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.
