Description Summary

With millions of drivers on the road comes millions of drivers who need car insurance. With our accurate database of auto insurance seekers, you can pinpoint and target these consumers for various offers. We provide a wide range of demographic and psychographic selections to help you reach your ideal prospects by mail, phone, or email.

How Our Data is Compiled

Our Auto Insurance Seekers Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: lifestyle surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. This list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ \$1,548 is the average car insurance premium in the United States.
- ✓ Nationally, drivers aged 55 and up experience the cheapest rates.
