Description Summary

The AmeriList Auto Repair and Service mailing list is an accurate, updated mailing list of auto repair and service facility owners that is updated monthly and provides great prospects for all kinds of tools, business services, premiums, ect. The majority of these Auto Repair and Service facilities are independently owned. If you want to reach this unique and talented segment of small business owners we have you covered. This list is ideal for any marketer offering services and supplies to the automotive industry including offers for finance and other business services.

How Our Data is Compiled

The Auto Repair & Service Shops database is compiled using a vast number of self-reported and direct response sources including: new business formations/filings, utility connections, yellow pages, business directories, annual reports, business magazines, newspapers, online surveys, catalog buyers, city/county and state and federal government data. In addition the new business list is telephone verified to ensure accuracy and deliverability. Our compilation team processes the entire database against the NCOA (National Change of Address) file monthly, the list is also CASS certified to ensure further accuracy.

Recommended Usage

This list is perfect for any marketer looking to target entrepreneurs and small business owners. It's especially ideal for Financial Planners, Business Consultants, Banks & Lenders Merchant Services, IT & Web Development, Payroll, Office Supplies and Much More. These small businesses are valuable prospects, they have money to spend and are always looking for new vendors.
