Description Summary

Build up and repair your direct marketing strategy! Contractors such as painting, plumbing, roofing, and others are great candidates for many types of offers. They seek out offers for safety manuals, products, financial offers, and more. The Contractors Database is compiled from government licenses, conference/trade show and seminar attendees. Membership and union organizations, directories and telephone verification. Get access to the most accurate and up-to-date postal, phone, and email data on the market.

How Our Data is Compiled

Our Contractors Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.
