

Diabetic Americans Mailing List

Total Universe: **3,48,36,740**

Base Rate: **\$65.00/M**

Description Summary

Our Diabetic Americans Mailing List consists of over 34 million people who are currently suffering from diabetes. These prospects have a huge interest in personal health and weight loss, depending on whether they are considered Type 1 or Type 2. This diagnosis changes the lifestyle of diabetics because their lives start to revolve around products and medications that help them to be the healthiest they can possibly be. Utilizing mailing, phone, and email lists could make a huge difference in your direct marketing strategy.

How Our Data is Compiled

Our Diabetic Americans Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ In 2015, approximately 9.4% of the U.S. population was diagnosed with diabetes (both type 1 and type 2 combined)
- ✓ About 1.5 million Americans are diagnosed with diabetes every year

Recommended Usage

Our Diabetic Americans Database can be used to contact individuals suffering from diabetes who may be great candidates for offers in areas such as special medical equipment, gym memberships, health services, financial, insurance and other offers.
