Total Universe: **1,98,20,695**

Base Rate: **\$65.00/M**

Description Summary

Dog owners are very caring and loyal to their companions. There are over 12 million dog owners in the United States. In addition to being highly dedicated, these consumers are constantly making purchases for their "best friends" like grooming, toys, pet supplies, kennels, training, and more. These owners would do anything to provide the best for their dog. It takes a lot to maintain the mess that comes with owning a dog, so these owners tend to seek out carpet cleaning, furniture repair/refurbishing, and others. AmeriList can arrange your dog owner data by income, age, presence of children etc.

How Our Data is Compiled

Our Dog Owners Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire mailing list against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ Approximately 44% of all households in the United States have a dog.
- ✓ Americans spend approximately \$5 billion on holiday presents for their pets.
