

EMTs and Paramedics Mailing List

Total Universe: **5,93,549**

Base Rate: **\$65.00/M**

Description Summary

With this EMT/Paramedic database you will have access to medical professionals who are trained to provide emergency care to patients who have suffered an illness or injury outside of the hospital. All of these professionals are currently actively pursuing their careers in the medical field. You can customize our mailing list by areas of specialty, as well as individual demographics. If you are trying to improve your direct marketing program, this list will help you get your message into the hands of these life-saving individuals.

How Our Data is Compiled

Our EMTs and Paramedics Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ EMTs treat approximately 25-30 million patients each year
- ✓ The U.S. ambulance industry makes more money than the entire film industry

Recommended Usage

This database is recommended for many offers, such as financial, medical school, supplies, technology, travel, insurance, publications, credit cards, and more.
