Base Rate: **\$85.00/M**

Description Summary

Our Female Investors database contains financially savvy women who regularly make investments. This female investor list is the perfect way to reach influential business leaders. These prospects are affluent, educated and powerful, and have the resources needed to make wise business and investment decisions. We can pinpoint your direct marketing campaign by breaking down your data by additional selects such as income, age, and much more. Get in touch with female investors by mail, phone, or email and boost your ROI!

How Our Data is Compiled

Our Female Investors Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ Venture firms with a woman partner are more than three times as likely to invest in companies with women CEOs.
- ✓ There are just over 9 million women-owned companies in the United States.

Recommended Usage
