

High Blood Pressure Sufferers

Total Universe: **86,45,934**

Base Rate: **\$125.00/M**

Description Summary

Those who experience the stress of having high blood pressure are always going to be looking for products, medications, doctors, literature, and many other services to help control their numbers. These prospects are valuable and have been known to respond to promotions and offers very frequently. If you are looking to pinpoint consumers with high blood pressure, this database is perfect for any mailing, telemarketing, or email campaign. This data is updated every month to ensure accuracy and deliverability for all of our clients. Connect with this responsive group of consumers who are eligible for many offers.

How Our Data is Compiled

Our High Blood Pressure Sufferers Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: lifestyle surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. This list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ About 32% of American adults have high blood pressure
- ✓ High blood pressure costs the nation about \$48.6 billion each year
