

Home Office Supply Buyers Mailing List

Total Universe: **5,45,168**

Base Rate: **\$75.00/M**

Description Summary

There is a large population of people who work outside of their company office. Many of these individuals either work from home, have their own businesses, take their work home with them at night, or just need office supplies for everyday tasks. From post-its to printers, purchases both online and in-store are being made by consumers nationwide. This direct marketing mailing list provides postal, email, and phone data that can help many types of businesses reach people using office supplies in their homes.

How Our Data is Compiled

Our American Lifestyle Home Office Supply Buyers Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ Approximately 30 million households in the U.S. have people that work in their homes.
- ✓ The number of people telecommuting in the U.S. increased 115% between 2005 and 2015.

Recommended Usage

This office supply buyers list would be beneficial to a variety of industries, such as office supply retailers, manufacturers, entrepreneur publications, computer software companies, technology offers, and many more.
