Description Summary

Selling insurance is no easy task... especially when it comes to selling Homeowners Insurance! Home owners don't buy insurance on impulse and they certainly don't just walk into random insurance offices ready to buy. Years of research shows the majority of homeowners typically evaluate their insurance policy when closing on their property and when their policy renewal date is approaching. Our expansive database puts marketers in touch with individuals at these two critical stages, making each name in our database a hot lead. Unlike our competition, our homeowners' insurance database isn't based on probability, these individuals are actually thinking about buying at this very moment. Don't waste another minute, test our data out today.

How Our Data is Compiled

This exclusive database is sourced directly from Deeds, Credit Data, Insurance Renewal Records, various Public Records, Lifestyle Questionnaires, Memberships, Internet/On-Line Surveys, Off-line Surveys, Opt-in Email, Newsletters, Direct Response, Publications, Compiled Lists and Controlled Circulations. Our Homeowners Insurance prospect lists is updated monthly as new records are added to the database. The entire list is processed against the USPS® NCOA (National Change of Address) file.
