

Insurance Agents at Home Mailing List

Total Universe: **8,50,013**

Base Rate: **\$65.00/M**

Description Summary

Connect with insurance agents with the most accurate, up-to-date targeted mailing list on the market. These insurance agents work in a variety of fields, such as health, business, finance, real estate, and more. This responsive group of consumers are great candidates for many different types of offers. By utilizing the Insurance Agents at Home Mailing List, you can market to these individuals and target your data through segments that will help you pinpoint exactly what prospects will likely become customers. Don't miss out on accurate data for your next direct marketing campaign!

How Our Data is Compiled

Our Insurance Agents at Home Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ In 2016, insurance agents in the U.S. made a median pay of approximately \$50,000, not including commissions
- ✓ The projected job growth for insurance agents is 10% by 2026
