Total Universe: **3,85,064**

Base Rate: **\$65.00/M**

Description Summary

Physical and Occupational Therapy are difficult and honorable career paths. Because of these professionals, people who have been injured or are suffering from physical symptoms have someone to turn to for the treatment of their pain. Our State-Licensed Physical and Occupational Therapists Mailing List can be segmented by education, gender, or any other demographics to suit your campaign. We make it easy to reach some of the most affluent, educated professionals who have the power of purchasing for their medical facility as well as making financial decisions.

How Our Data is Compiled

Our Licensed Physical and Occupational Therapists Mailing List is derived from state-licensed information as well as a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ Occupational and physical therapists can work in a variety of setting such as hospitals, school systems, outpatient clinics, home health agencies, nursing homes, psychiatric facilities and private practice.
- ✓ The main difference between occupational therapy and physical therapy is that OT focuses on improving a client's ability to perform activities of daily living and PT focuses on improving a client's ability to perform movement of the human body.

Recommended Usage

This list can be used for medical newsletters and seminars, continuing education, books and magazines, office supplies and forms, medical computer software, insurance, credit card and investment offers, and much more.
