Description Summary

From the top attorneys to plumbers, you can be sure that AmeriList has the exact licensed professionals you are looking for. Our list allows you to market your products and services to the right individuals at the right time as we have virtually all state licensed professionals. Our in-house data team acquires these professionals records from hundreds of public sources on a continuous basis. The majority of this data is sourced directly from state licensing agencies. Data from industry-specific business groups/directories, online self-reporting & social network business listings, Chambers of Commerce, and additional public sources are also included. All of our data is cleaned, CASS certified and run through internal NCOA processing on a daily basis.
