Description Summary

Is your direct marketing strategy in good health? This database includes doctors, nurses, specialists and administrators who work in hospitals, medical practices, clinics, mental health facilities, nursing homes and home healthcare agencies. With access to the contact information of these affluent professionals, you can connect with the most powerful individuals at these medical facilities/companies. AmeriList provides you with the most quality and accurate data in the industry for contacting healthcare professionals. Our mailing list can be segmented by type of profession within healthcare, education, and many other demographics for your target market.

How Our Data is Compiled

Our MedHealth Healthcare Professionals Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts
