Base Rate: **\$85.00/M**

Description Summary

There are various uses for marijuana today, and medicine plays a huge part in that. Doctors in some states are able to provide prescriptions and medical marijuana cards to patients who are in need of cannabis to help with symptoms from many diseases and conditions. This data could be useful for many types of offers, and can be used for direct mail, telemarketing, or email marketing. We update our data monthly to ensure accuracy and deliverability. These responsive consumers are great candidates for a variety of offers.

How Our Data is Compiled

Our Medical Marijuana Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.
