

Midwives Mailing List

Total Universe: **4,956**

Base Rate: **\$85.00/M**

Description Summary

A new list is born! Midwives are trained health professional who help women during labor, delivery, and after the birth of their babies. Midwives may deliver babies at birthing centers or at home, but most can also deliver babies at a hospital. These caring, nurturing individuals have extensive training in their field and are great candidates for a variety of offers. If you are a direct marketer looking to target consumers who are midwives, youâ€™ve come to the right place. Connect with these individuals in a mailing, telemarketing, or email campaign.

How Our Data is Compiled

Our Midwives Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: lifestyle surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. This list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ There are 4 types of midwives: Certified Nurse Midwives (CNM), Certified midwives (CM), Certified Professional Midwives (CPM), and Traditional/ Unlicensed midwives
- ✓ A 2018 study found that in hospital settings, people who have midwives are less likely to have C-section deliveries or episiotomies.

Recommended Usage

This mailing list is recommended for a variety of offers and promotions, including, but not limited to: hospitals and doctorâ€™s offices looking to hire a midwife, magazine subscriptions, nursing accessories, insurance, healthcare, etc.
