Base Rate: **$75.00/M**

Description Summary

Our Notaries – Notary Public Database is a complete list of state appointed notaries. This list is compiled from state licenses, and consists of â€œLicensed Notariesâ€Ǝwith postal and email address. These individuals provide professional notary services. As the leading compiler of direct response data we are pleased to bring you the most complete database of U.S. Notaries. You can reach these professionals who are required to take courses that legally empower them to bare witness and certify the validity of important documents, and to take affidavits and depositions. They are trusted and are authorized to authenticate contracts, acknowledge deeds and protest bills of exchange.

How Our Data is Compiled

This list is compiled from state licenses, and consists of â€œLicensed Notariesâ€Ǝwith postal and email address. These individuals provide professional notary services. If you are trying to reach notaries, this database consists of the most accurate list of Licensed Notaries ever released for sale. The data is also merged and purged to eliminate duplicates, additionally all of our data is processed against NCOA on a monthly basis.

Recommended Usage

This list is ideal for any marketer who is trying to reach official state appointed notaries. These responsive prospects are excellent candidates for a wide range of offers such as office products, software, trade periodicals, financial offers, as well as many consumer offers.
