How Our Data is Compiled

Our Pharmacists database combines a wide range of sources from public and proprietary feeds both online and offline including self-reported data, state license data, lifestyle surveys, magazine subscriptions and more. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ 84% of adults visit a pharmacy every year
