Description Summary

Your prescription for success is in this database! If you're looking to market to individuals who are perfect for pharmacy discounts, look no further than our Pharmacy Discount Card Prospects mailing list. Great candidates for these types of discounts would be low-income individuals, uninsured Americans, as well as people with chronic health issues that require multiple trips to the pharmacy, like diabetics, people with thyroid problems, back pain sufferers, people with allergies, and much more. This data is updated monthly to ensure success among marketers. These consumers are always looking for ways to decrease their pharmacy costs, making them responsive consumers for your next campaign.

How Our Data is Compiled

Our Pharmacy Discount Card Prospects Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ In 2015, pharmacy and drug store sales amounted to approximately \$263 billion
- ✓ About \$53 billion of that total was generated by Rx sales

Recommended Usage
