Description Summary

Whether taking pictures of nature, family and friends, or still-life, these individuals are passionate about their craft. They invest an ample amount of their time and money to perfecting their photography skills and taking the most beautiful pictures they can. They are avid readers of photography literature and are highly responsive to new technology products. This file is updated monthly, with a variety of selections to further pinpoint your target market more effectively. Get access to mailing, phone, and email data for photographers across the U.S.!

How Our Data is Compiled

Our Photography Enthusiasts Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- More than half of all photographers are self-employed
- 300 million photos are uploaded to Facebook every day, and about 26 photos are uploaded to Instagram in one second

Recommended Usage

This database is recommended for a variety of industries and offers, such as sweepstakes, internet offers, magazine subscriptions, cameras and camcorders, movies and music, etc.
