

Physicians and Surgeons

Total Universe: **11,40,133**

Base Rate: **\$75.00/M**

Description Summary

AmeriList's Physicians and Surgeons mailing list is the most comprehensive physician database available on the market today. With this physician database you get access to physicians and surgeons who are trained to treat and diagnose a variety of symptoms and illnesses. All of these professionals are in business and have a current active practice.

You can customize our doctors mailing list by areas of specialty as well as practice size. If you are trying to improve your direct marketing program, this list will help you get your message into the hands of this prestigious group of decision makers. They are excellent prospects for professional and financial prospecting as well as upscale consumer offers.

How Our Data is Compiled

Our multi-sourced business database combines a wide range of sources to deliver an industry leading B2B Marketing List. Our business database is collocated from multiple sources including Yellow Pages, Government Data, White Pages, SEC Filings, Annual Reports, Business Magazines and Industry Newspapers. Also available through AmeriList is the well respected "American Medical Association Members" file. This list includes both members and non-members of the American Medical Association (AMA). This accurate and updated doctors list is top choice for many medical marketers. The file is accurate because its updated weekly through surveys, publication mailings, and a myriad other techniques. Inquire for list counts and price. We will negotiate the best market price for you.
