Description Summary

The AmeriList Real Estate file consists of professionals that have solid incomes and likely a high level of education and training. They know which neighborhoods will best fit a client's needs and budgets. To succeed, they must be active and engaged in their communities. Most states require candidates for the general sales license to complete between 30 and 90 hours of classroom instruction. Those seeking a broker's license need between 60 and 90 hours of formal training and 1-3 years of experience selling real estate. Give your direct marketing strategy a boost and utilize our real estate agents mailing list.

How Our Data is Compiled
