Total Universe: **7,14,475**

Base Rate: **\$65.00/M**

Description Summary

Owning a restaurant can be a challenge for many people, but the ones who are successful are dedicated to the culinary arts and serving the public. These individuals are always looking to find more ways to improve their businesses and attract more customers. Due to this constant demand, restaurateurs are in need of many types of products and services. This database is targeted by mail, phone, and email to provide the most accurate, up-to-date restaurateur data on the market.

How Our Data is Compiled

Our American Restaurateurs Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ The restaurant business is a \$799 billion industry.
