Description Summary

After serving our country, whether it be overseas or within the U.S., many veterans retire from their service. This database contains veterans that are now retired from the military. These prospects are eligible for a wide variety of products and services, reachable by mail, phone, or email. Our information is updated every month to ensure accuracy and deliverability for all of our clients. With a multitude of selections to choose from, you can pinpoint your target market easily with this mailing list â€“ donâ€™t miss out on this valuable group of retired military veterans!

How Our Data is Compiled

Our Retired Military Veterans Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: public records, surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- After 20 years of service, members can retire with 50%
- In the next 10 years, the estimated amount of military retirees in the U.S. will be about 2.2 million
