Total Universe: **31,448**

Base Rate: **$95.00/M**

Description Summary

These professionals are extremely important in the school system as there are a lot of children that need help from a school psychologist. This job is certainly no walk in the park, and the work of these professionals should be valued greatly. Between speaking with and helping children, meeting with parents, and creating helpful strategies to help students get the most out of their school experience, there are a lot of products and services that school psychologists can be good candidates for. Get the most out of this accurate database of school psychologists and boost your marketing strategy!

How Our Data is Compiled

Our School Psychologists Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- The Bureau of Labor Statistics predicts that the field of school psychology will continue to grow at a steady rate of 11%
- Most school psychologists find work in various levels of public schools, ranging from everything between nursery school and college

Recommended Usage

This mailing list is recommended for many types of industries and offers, including, but not limited to office supplies, childrenâ€™s toys, school supplies, educational programs, doctoral programs, publications, and much more.
