Total Universe: **5,85,213**

Base Rate: **\$90.00/M**

Description Summary

Veteran grandparents have experienced both a troubled and good economy during their lifetime. Investments, college funds, education and insurance are some of the most important things grandmothers and grandfathers want for their grandchildren. They have served their country, understand good discipline, and care about the future and well-being of the future generation. Not only do they purchase toys and games for their grandchildren, but also know the importance of a giving them a good education, financial security, investments, life insurance, and more. This file allows you to select by specific age, gender and household income; in addition to single grandmothers and grandfathers who are responsive consumers who contribute the most to their grandchildren's future.

How Our Data is Compiled

Our Senior Veterans with Grandchildren Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ About 2/3 of all veterans are senior citizens (55+)
