Total Universe: **71,725**

Base Rate: **\$95.00/M**

Description Summary

Veterinarians hold a pivotal role in maintaining the well-being of our cherished pets, serving as dedicated medical professionals adept at treating a diverse range of animals. From the beloved companionship of dogs and cats to the more exotic care required by rabbits and hamsters, veterinarians are entrusted with the responsibility of providing comprehensive healthcare services. Their expertise spans a spectrum of critical tasks, including routine check-ups, complex surgical interventions, precise medication prescriptions, and compassionate end-of-life care. Accessing the most accurate and comprehensive data available on the market enables you to establish meaningful connections with veterinarians through channels such as direct mail, phone calls, and strategic email campaigns. By leveraging reliable information, you can enhance the efficiency of your outreach strategies and foster productive collaborations within the veterinary sphere.

How Our Data is Compiled

Our Veterinarians Mailing List is derived from a multitude of public and proprietary feeds both online and off line including: lifestyle surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. This list is also CASS certified to ensure further accuracy
