Description Summary

When it comes to computers, the marketing opportunities are endless. The consumers included in this file are Windows users at home. They prefer the Microsoft interface rather than that of Apple. This group of consumers is responsive to new offers and promotions and can be reached by mail, phone, or email. Our data is updated monthly to ensure accuracy and deliverability. If you want to reach Windows users, you've come to the right place!

How Our Data is Compiled

Our Windows Operating System Users Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider the Facts

- ✓ As of April 2019, 69.8% of desktop operating systems in the U.S. were Windows
