Description Summary

Our International Businesses Database provides access to more than 70 million businesses worldwide. The international businesses mailing list is kept fresh and accurate through rigorous monthly monitoring of the reliable compiled sources. We have the global business resources to stay ahead of the constant change happening in foreign business. This mailing list offers a wide choice of demographic, firmographic and contact selects for foreign businesses. Individual and multiple countries are selectable, to get the most coverage for your marketing campaign. The data makes reaching international businesses worldwide simple and easy.

How Our Data is Compiled

Our AmeriList Worldwide Business Database Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.
