Description Summary

Get access to ambulatory surgery centers across the country. An ambulatory surgery center is a location not classified as a hospital that provides surgical outpatient care. These are same-day operations that center around minor surgeries that need either general or local anesthesia. Reach ambulatory surgery centers by mail, phone, or email. Our data is updated monthly to ensure accuracy and deliverability.

How Our Data Is Compiled

Our Ambulatory Surgery Centers Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: lifestyle surveys, self-reported individuals, directories, and previous memberships/purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. This list is also CASS certified to ensure further accuracy.

Consider The Facts

- The average ambulatory surgery center has 4 operating rooms
- The top 3 states with Medicare-certified ASCs are Maryland, Georgia, and Wyoming.
