Description Summary

Is your marketing strategy in good health? These professionals help people of all ages find a health plan that works for each individual person. This science is not easy, and dietitians and nutritionists have to go through a lot of schooling to earn their degree. This service is extremely valuable, especially for people who have various problems such as diabetes, Celiac disease, certain allergies, high cholesterol, and much more. This database is updated monthly to ensure success and accuracy among all of our clients.

How Our Data Is Compiled

Our Dietitians & Nutritionists Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: lifestyle surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. This list is also CASS certified to ensure further accuracy.
