Total Universe: 11,892,012

Base Rate: \$75.00/M

Description Summary

These driven individuals have the ability to purchase anything needed for their companies, and are in charge of finances. Our Female-Owned Businesses Mailing List has over 11 million female executives and business entrepreneurs. These successful, women-owned businesses have disposable cash and can be ideal prospects for everything from products and services to office supplies and other business-related purchases. These businesses are run by powerful women who work hard to succeed, and can be reached through mailing, phone, and email lists.

How Our Data Is Compiled

Our Female-Owned Business Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider The Facts

- 1 in 5 firms with a revenue of \$1 million or more is owned by a woman
- Women-owned businesses now comprise 38% of the business population, employ 8% of the country's private sector workforce and contribute 4% of the nation's business revenues.

Recommended Usage
