Description Summary

Is your business looking to market to independent insurance agents? With our mailing, telemarketing, and email lists, you can effectively reach your target area or category of independent insurance agents for whatever service or product you are offering. These agents are looking for things like software, financial services, and much more. Sourced from state-licensed information, AmeriList knows we are offering our customers only the best data, guaranteed to boost your marketing ROI. Don't miss out on this valuable prospect group!

How Our Data Is Compiled

Our Independent Insurance Agents Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: state licensing, leading industry trade publications, associations, business Yellow Pages, government data, White Pages, SEC filings, annual reports, business magazines, industry newspapers, and more. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider The Facts

- In 2016, insurance agents in the U.S. made a median pay of approximately \$50,000, not including commissions
