Description Summary

If you're competing in the nation's most crucial popularity contest, this database could be your ticket to office. From Senate seats to county positions, candidates across the nation are going to be tirelessly campaigning for votes for their place in office. If you are running for election, spreading the word to those registered as members of the Republican Party is the only way to increase your numbers and secure those votes from within. With the most accurate mailing lists, email lists, and phone lists in the industry, you can get your message into the mailboxes, phones, and email inboxes of registered Republicans and get more votes!

How Our Data Is Compiled

Our Registered Republicans Mailing List is created using a number of different sources, however, most notable is state voters registration rosters. This database is updated monthly to ensure quality and accuracy. This database is also processed against the USPS® National Change of Address (NCOA) system, in addition to Zip+4 coding and CASS Certification.

Consider The Facts

- As of 2017, 37% of Americans identified as Republicans
- Since the 2016 election, we have seen a significant decline in the number of registered Republicans

Recommended Usage

This mailing list is recommended for political candidates of either party, for donations, and more.
