Description Summary

There are millions of people across the country who have or are using a speech pathologist. Many children have a speaking impediment that affects their development, as well as many adults. These professionals help people work on their language skills on a daily basis. These responsive candidates are eligible for many types of offers, and would be perfect for your next direct marketing campaign. Reachable by mail, phone, or email, you can get in touch with speech and language pathologists at their place of residence. This data is updated on a monthly basis to ensure accuracy and deliverability. Don't miss out on this valuable group of prospects!

How Our Data Is Compiled

Our Speech / Language Pathologists Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: lifestyle surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. This list is also CASS certified to ensure further accuracy.
