How Our Data Is Compiled

Our Tennis Players and Enthusiasts Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: lifestyle surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. This list is also CASS certified to ensure further accuracy.

Consider The Facts

- In 2018, about 19% of surveyed respondents ages 18-29 stated they play tennis
- Tennis can be beneficial for many physical reasons, such as increasing aerobic capacities, lowering resting heart rate and blood pressure, improving metabolic function, increasing bone density, lowering body fat, improving muscle tone, strength and flexibility, and increasing reaction times.
