## Description Summary

At AmeriList, we make it easy for you to connect with B2B prospects! Our phone-verified Canadian Business Database includes 2 million public and private businesses in Canada. This file can be segmented by industry type, SIC code, location, sales volume and more. We update our files monthly to provide the most accurate Canadian business data on the market.

## How our Data is Compiled

Our multi-sourced business database combines a wide range of sources to deliver an industry leading B2B master file. Our business database is collocated from multiple sources including Yellow Pages, Government Data, White Pages, SEC Filings, Annual Reports, Business Magazines and Industry Newspapers.

Not only do we cross reference a multitude of sources to ensure the most accurate data, we also verify each business by phone on an annual basis to keep our records up-to-date. This continuous verification process yields the most reliable and deliverable business database in the industry.

## Consider the Facts

- Corporations are the most popular business structure in Canada
- Small businesses account for 98% of all employer businesses in Canada
- Small businesses accounted for \$68 billion in Canadian exports
- One third of Canadian businesses rely on credit for financing

## Recommended Usage

Our Canadian Business Master File is the ideal solution for insurance agencies, uniform manufacturers, security professionals, accounting professionals, investment bankers, technical support personnel, trade magazines, trade show planners and many more!
