Description Summary

Millions of homeowners across the U.S. Are looking to refinance their mortgage, lower their current interest rate, consolidate credit cards and other debt, or cash out equity. If you are a mortgage broker, credit union, bank or financial institution, these individuals need you... luckily, we can help you contact these individuals who are actively searching for your services. We guarantee that our Mortgage Refinance Database is the most responsive list on the market.

How Our Data is Compiled

Our file is compiled using multiple sources including: title, deed and credit sources containing demographic selections such as loan type, lender name, mortgage amount, interest rate and much more. Our regularly updated, national mortgage list guarantees you'll contact the right prospects for your products and services, helping you increase sales while saving you time and money.

Consider the Facts

- The average income of individuals seeking to refinance their mortgage is less than \$50,000
- The average individual seeking to refinance their mortgage has over \$5,000 in debt
- 47% of refinancers are aiming to avoid balloon payments.

Recommended Usage

Our Mortgage Refinance Database is an excellent source for mortgage brokers, banks, financial planners, credit unions and investment bankers.
